Ralphee the Bully

One very hot day, there was a rhino named Ralphee. Ralphee was adopted by two lovely people named Ms. Fatoo and Mr. Fatoo, they were crocodiles. Ralphee needed someone to talk to he had a dog but what good would that do if the dog couldn't talk back. Ralphee started bullying people to make himself feel better.

One day a monkey was new to Ridge Grove High school. Ralphee wandered up to the monkey and said, "Hey I'm Ralphee, ill punch you into the floor if you mess with me." The monkey looked very frightened and said, "I'm Matt, I won't mess with you."

Ralphee saw Matt at the drinking fountain and walked up and with all he could punched Matt in the stomach. Matt turned around tears filling his eyes and ran off to his next class. Ralphee shrugged and went to go huddle with his friends and make loud noises in the hall.

Matt came to school the next day with a band aid on his arm, Ralphee noticed but he didn't care. Until he saw the pain in Matt's eyes, this made Ralphee feel horrible for what he did to Matt. So Ralphee went to go ask what was wrong.

Ralphee said, "Hey, Matt what's up with your arm." Matt turned around with shock on his face and said, "Oh just a little fall." Ralphee looked at Matt's arm then back at Matt and said, "Dude a fall wouldn't do that. Now what really happened?" Matt's answer back was, "Well I've been bullied for all my life, so when you punched me, I went home and hurt myself." Ralphee was so shocked that he started begging and pleading for Matt to forgive him. Matt looked long and hard with a serious face then his face soften and he smiled and said, "Yes I forgive you."

From that day on Matt was never bullied again and Matt and Ralphee became the best of friends and did everything together.
